Police Vehicle Application

Criminal Cases have been a major issue in our society. Police resources are also facing unparalleled challenges dealing with various types of problems for citizens. The police officers waste lots of time and energy to go back-and-forth between the police office and the case scene. This solution greatly helps them get as much as internal resources right inside their vehicles. UNICLASS had led the KVM industry with versatile solutions for more than 26 years in +35 countries around the world. We hope you enjoy your life and love our innovations!
